

ArtWorks for Milwaukee's 9th Annual Night by the River Benefit

Night by the River is ArtWorks for Milwaukee's annual benefit to raise funds for our internship programs. During the event, guests enjoy delectable hors d'oeuvres from local restaurants and sample craft beers, fine wines and cocktails from some of Milwaukee's finest establishments. A wide variety of generously donated silent auction items are up for bid throughout the evening as attendees enjoy this unique event.

ArtWorks for Milwaukee is a 501(c)3 nonprofit that provides paid and unpaid, arts-based internships to local teens. Interns use a variety of arts techniques to learn viable life and career skills.

Under the guidance and supervision of a local lead artist, interns work together in groups of eight to create community-based art projects including murals, poetry, graphic design posters, textiles, mosaics, mixed media, and printmaking.

These internships build genuine work ethic and provide a real-life job experience—with a project to be completed, a budget, deadlines, and performance reviews. Our interns develop the job skills to succeed no matter what career direction they choose to pursue.

At the end of each internship program, ArtWorks hosts an unveiling event to celebrate the interns' achievements, providing an opportunity for interns to practice their communication skills as they present their work to the community.
